To which wallet can I withdraw my pending ASK?

Permission Support - 2024-10-18 - Withdrawal

You have 2 choices to withdraw your pending balance:

1. to your Permission wallet, created when you signed up to the Permission platform
2. to an external wallet you connected to the Permission platform

Here are the list of external wallets you can connect to the Permission platform:

- Coinbase
- Meta Mask
- Safe Pal
- UniSwap
- imToken
